Weaknesses: pride, vanity, arrogance, presumption and disdain of others.

Moon in Leo

She is brave and knows how to take risks, has the courage of her convictions, is honest, imposing and sharp. She has a great sense of and respect for justice. Organizational sense. Selectivity in friends, but is not influenced by them. Taste for splendor.

Weaknesses: changing and numerous affections. Emotional instability, pride.

Mercury in Leo

Ambitious, sincere, loyal, friendly and full of good cheer. Great sense of organization. Likes children and leisure time.

Weaknesses: likes to play games too much and can go too far, in spite of herself. Likes to play-act and do about-turns, which surprise and upset those concerned. Likes to take risks in jest and for amusement.

Venus in Cancer

She is affectionate, loves family life, the home, the nest, comfort. Fertile imagination, love of children, she is sociable and likes the country, nature. She is romantic, pleasant, at ease in relationships. She always dreams of the "Great Love".

Weaknesses: changing emotions. The subject easily becomes attached to people, she is inconstant, extravagant, whimsical, always in pursuit of the impossible. Not an authoritative parent, avoiding family conflict for the quiet life.

Mars in Virgo

Efficiency, deftness, flexibility, diligence but also ingenuousness.

Weaknesses: she can easily boil over and can get angry over a small detail that gets in the way.

Jupiter in Gemini

Very good education, she is also a good talker. She likes to travel, to write, to increase her knowledge.

Weaknesses: likes to puff herself up with grandiose speeches or fine words. Does not listen to others but likes to be listened to.

Saturn in Sagittarius

She has her own way of thinking about a subject, she has her own ideas about things. She respects society and its rules guide her conduct.

Weaknesses: hard, unforgiving, rigorous, insensitive and sometimes inhuman. A limited and narrow mind.

Uranus in [Aries](#)

Inventive, progressive and innovative mind. Likes her independence.

Neptune in Virgo

Whims, psychosomatic illnesses.

Pluto in Cancer

Pollutes the family atmosphere, destructive.

The planets in the houses

The planetary positions in the houses express the facts relative to destiny.

Sun in VII

Marriage or living together with someone of superior intelligence.

Moon in VII

Marriage is very important for her, for better and for worse. Cannot stand being alone. Likes business relationships.

Mercury in VII

Hates being alone. She has lots of friends, likes to discuss and similarly has a lot of work friends. Likes to write.

Venus in VI

She is devoted to sick or poor people. Certainly works in a medical or social setting, where she meets their partner, who is a great help professionally.

Mars in VIII

Sexually very powerful, she expends their energy badly. Arguments over inheritance.

Jupiter in V

She likes games and distractions. She has passion which lights up her days. She is lucky in love, but also professionally, with pleasant working conditions and duties. She loves her children and gets much enjoyment from them.

Saturn in XI

She appreciates the company of older people of intelligence and good counsel. These will help success

in professional life. She has few friends and has difficulty in finding a partner. She is very reserved.

Uranus in II

She has a lot of flair. She is unreliable at work, always ready for change. She must have an out-of-the-ordinary job, in which case all goes well: otherwise, she will often change jobs and will have financial problems.

Neptune in VII

Marries for love, to show the depth of her passion, but has a troubled conjugal life.

The houses in the signs

Ascendant in Capricorn

If childhood and youth are not very scholarly periods, with little success, maturity and old age will see the arrival of success. The rise will be slow, and she will be self-taught, spending all her life studying and instructing herself.

House II in [Pisces](#)

Easy success in professional life thanks to intelligence, ingeniousness and a few friends. She is careful with money without being miserly, because she is generous.

House III in Aries

Lively intelligence. She is ambitious. She is always ready for any initiative requiring change or novelty.

House IV in Taurus

Makes a good mother. Likes to be at home, with the little family for company. Appreciates comfort, peace and quiet, and simple but good food!. Takes care of what she possesses wisely.

House V in Gemini

Likes to please: She can spend hours in the bathroom, preparing to go out, in the hope of meeting someone to dazzle. Likes interminable discussions with friends.

House VI in Cancer

Likes jobs in contact with the public. Weak point: the stomach.

House VII in Cancer

Marriage, a nice little family. The spouse will not always be easy to live with, a little too mad.

House VIII in Virgo

Small inheritances. Happy old age, natural death.

House IX in [Libra](#)

Likes justice, honesty, loyalty. Make good lawyers.

House X in Scorpio

Likes professions that involve a certain risk. Those in the police field are recommended. She likes to investigate. She is curious by nature, takes risks and fights to succeed.

House XI in Sagittarius

Loves above all travel, adventure and friends are often from abroad.

House XII in Capricorn

Disappointments are difficult to digest, the bitterness can last a long time before she is able to react positively.

Interplanetary aspects

The interplanetary aspects have a strong influence on the character and disposition of the individual and, consequently, on her destiny.

The conjunction aspect is variable and depends above all on the nature of the conjoint planets.

407 Conjunction Sun - Mercury

She is intelligent and knows what she wants. Is a good organizer, she likes moving, travel. She likes literature.

340 Conjunction Moon - Mercury

She has good judgement, a good memory. She is intelligent, imaginative, vivacious and develops all through life. She speaks easily. She has an aptitude for learning foreign languages.

155 Sextile Sun - Jupiter

She has high social ambitions, respects justice and the law. She is tolerant, optimistic, kindly. She has every chance for professional success in a strictly legal setting.

152 Trine Sun - Uranus

She is above all independent and original. She likes change, reforms, she is allergic to everything routine. She has a strong personality, and has many friends.

129 Trine Moon - Saturn

She controls her feelings. She has a sense of duty, of self-esteem and is prudent. She can concentrate on a long-term task, manual or intellectual. She perseveres and is serious in everything she does.

117 Conjunction Moon - Neptune

114 Sextile Venus - Neptune

Her professional life is unstable. She has a taste for the Arts, is a dreamer, is easily influenced and romantic. She is emotional and very sensitive.

105 Sextile Jupiter - Uranus

She knows what's going on at a glance. She thirsts after knowledge, and is a good organizer. She is very independent, likes her freedom of action, is a non-conformist. She is very agreeable company and is always in demand.

94 Sextile Mars - Pluto

She is ambitious, has a great capacity for work, has self-confidence and goes to the end of her plans.

-61 Opposition Venus - Saturn

This aspect sometimes means unhealthy sensuality. She is hard, and does not know how to express her emotions. She is frightened of showing her love, and this leads to disappointments, break-ups, lack of satisfaction. It is likely that she had problems with her mother, who did not know how to love her or give her self-confidence. She doubts, is suspicious and jealous. She will learn how to be happy in love, to be at ease with herself and to control her jealousy in the second half of her life, thanks to an older person, who gives her self-confidence back to her, so she can then trust others.

-56 Square Mercury - Midheaven

She has no specific aim in life. She frequently changes jobs, is unstable but likes change, which gives her the feeling of living intensely. Lots of activity as far as love is concerned - she has a full sex life.

46 Sextile Mars - Midheaven

She has a good sense of organization. She knows how to take the necessary decisions rapidly, is independent and uses all her energy to succeed socially.

44 Trine Mercury - Saturn

-38 Square Sun - Midheaven

She lacks an aim in life. She does not face up to problems and her schemes, if any, are impossible for her to realize.

34 Trine Mars - Ascendant

-27 Square Mars - Saturn

She is only interested in doing something if there are problems attached: once these are solved, she goes on to something else which has complications. She likes to overcome obstacles, is tough, does not have too many feelings, especially in business. She is egoistic, violent and stubborn. She does not always make friends.

10 Trine Saturn - Neptune

Her plans are realized in a methodical fashion, she works hard to achieve success.

-9 Opposition Pluto - Ascendant

She imposes her will by force, violence.

9 Trine Pluto - Midheaven

She uses all her energy to succeed professionally. She has a good sense of organization and authority.
